FINE ATTENDANCE AT OUTRIGGER'S DANCE

An attendance as large as could comfortably be contained by the dancing lanai greeted the January moonbeam dance of the Outrigger Canoe Club Saturday night at the club's pavilion on its grounds at Waikiki.

The evening was perfect with a gorgeous moon and fine trade wind breezes from the northeast keeping the lanai cool. Kaai's orchestra furnished excellent music. During the evening Madame Lester and Mr. Tansford gave an exhibition of the "two-two," the latest New York society dance.

February 3, the Saturday before full moon, the next dance will be held. The dances are for members and guests.

Special union services were held on Sunday by the five Japanese churches of the city. The service in the morning was at the River Street Japanese church and the service in the evening at the Makiki Street Japanese church. Several hundred Japanese Christians attended both services.

Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time In Many Instances

A Free Prescription You Can Have Filled and Use at Home.

PHILADELPHIA, Pa.—Do you wear glasses? Are you a victim of eye-strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read anything without my glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hay with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read the fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of

many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Optona tablets. Drop one Optona tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothered you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent Physician to whom the above article was submitted said: "Optona is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." —Adv.
